

March 22, 2026 Prayer List Updates

Clark Sampson has a tear in his colon that is causing a great deal of pain. He met with a surgeon on Friday and the office will contact Clark to schedule a procedure to repair the tear.

Jackie Gaither's heart catheterization found one artery with an 80% blockage. He will need at least one stent to address the blockage.

Beth Fletcher has improved and is back at Lebanon Rehab.

Debbie Baird had an MRI that showed an area of concern and is being referred to a specialist.

Julie Grubbs, Zach's mother, is at home under hospice care.

Card Shower

Christine Harville, Brian's grandmother, has fallen recently which is making it difficult for her to get around. She will turn 104 on April 1st. If you would like to give her a note of encouragement or send her a birthday wish, there is a basket in the foyer that you may drop a card in.

Greetings

Greeting visitors and members as they enter our building for services creates a warm, welcoming environment. Want to help in this effort? Beginning April 5th, we will transition into having greeters for our Sunday services. We are looking to pair teams of one male and one female member to act as greeters to serve for one month at a time. Can you help? A sign-up sheet is posted in the foyer for those willing to serve in this good work. -The Elders

Cookstove Apostasy

The early church prayed in the upper room, the twentieth century church cooks in the supper room. Today, the supper room has taken place of the upper room, play has taken the place of prayer, and feasting the place of fasting. There are more full stomachs than there are bended knees and broken hearts. There is more fire in the range in the kitchen than there is in the pulpit. When you build a fire in the church kitchen, it often puts out the fire in the pulpit. Ice cream chills the fever of spiritual life.

The early Christians were not cooking in the supper room the day the Holy Spirit came, they were praying in the upper room, they were not waiting on tables, they were waiting on God, they were not waiting for the fire from the stove, but for the fire from above. They were detained by the command of God and not entertained by the cunning of men. They were filled with the Holy Ghost, not stuffed with stew and roast.

Oh, I would like the cooking squad put out and the praying band let in, less ham and sham, and more heaven, less pie and more piety, less use for the cook book, and more for the Old Book. Put out the fire in the kitchen and build up the fire in the pulpit.
